Immigration - Switching educational institution

Before you fill in and sign this form please be aware that Hanze UAS will consider your request to become transferred legally to Hanze UAS separately from your request for admission. Hanze UAS has the right to refuse to become your legal representative in face of the Ministry of Asylum and Migration, Immigration and Naturalisation Service (IND). Hanze UAS will do so when:

- You have not completed your immigration file before the immigration deadline
- You don't have an active enrolment at a Dutch educational institution
- You don't hold a valid residence permit for study purposes
- Your previous Dutch educational institution has already made a request to the IND to revoke your residence permit
- We have reasonable doubts about your intentions to become a student at Hanze UAS
