

Student Declaration Form

Immigration – Extension Residence Permit

Hanze University of Applied Sciences Groningen is responsible by law for students who are in possession of a residence permit for study purpose. We have the obligation to report any changes in your situation which may affect your right to reside legally in the Netherlands. This form is our check on your situation. Please be prepared to give proof of what you declare below within two weeks' time, should the Ministry of Asylum and Migration, Immigration and Naturalisation Service (IND) request it.

I hereby declare that:

- I will be registered as a student at Hanze UAS for the time that my residence permit will be extended.
- I have and will retain a valid healthcare insurance for the duration of my enrolment at Hanze UAS.
- I have sufficient means in order to pay my [tuition fee](#) for the upcoming academic year, and have access to at least €1,094.12 per month of stay in the Netherlands for [living costs](#).
- I allow the rightful representative of Hanze UAS to inquire about my legal status as well as inform the Ministry of Justice and Security, Immigration and Naturalisation Service (IND) about any changes in my situation which may affect my right to reside legally in the Netherlands.
- I am registered with my current home address at the municipality (BRP) and will stay registered correctly at all times.
- I will keep my personal details (e.g. address, e-mail, phone number) up to date in the student administration (e.g. via www.studielink.nl).
- I have filled out this Student Declaration form truthfully. I am aware that failing to meet any of the above requirements may have consequences for my legal residency and study at Hanze UAS.
